

STEPS AHEAD

A MONTHLY NEWSLETTER FROM

I am happy to report the updates for the month of June '23 month in the 6th edition of our monthly newsletter - 'STEPS AHEAD'.

We have crossed six months of the year (2023) and our sponsors & well wishers are supporting us to identify more beneficiaries who are in needs of mobility aids. In many of the places we visit, we see several first time beneficiaries who are in desperate need of limbs.

With the help of many more such donors, we hope to reach out across the India.
